

# Pekingese Show Draws Greatest of the Breed

English Champions to  
Clash with Leaders from  
American Kennels.

**NANKING POA KWEI  
MAY PROVE SURPRISE**

**Arden and Downshire Teams  
Named for Exhibition of Nov.  
30, but "Not Competition."**

**By HARRIETTE UNDERHILL.**  
The Celestial Kingdom, so it is rumored, will be transferred, for a time at least, to the ballroom at the Plaza on Monday, November 30, when the annual show of the Pekingese Club of America will be held. Not only will the majority of the decorations be on the Chinese order, but the judge, for the first time in the history of the breed, will be a product of the far West.

This will be Miss Lydia K. Hopkins, owner of the famous Sherwood Hall kennels, at Menlo Park, Cal., who has bred possibly a dozen champions, and who is said to be one of the best posted authorities on the "Poke" in America. At no previous show has so much interest been aroused as to the winner. No less than five famous English champions have arrived in this country within the last month. These, with possibly a hundred recent importations and nearly one hundred typical American breeds, will make a competition the keenest in the history of the club.

The Nanking Kennel, owned by Mrs. H. Kennedy, of London, has sent over three of its best, which means about the best in England. Mrs. M. E. Harby, who has bred the last three years has won the grand challenge cup for the best in the show, has all her former champions in the show, and she, however, has a surprise in store. Nanking Poa Kwei, for which she especially visited England this summer, in all Mrs. Harby has made thirty-six entries, far eclipsing all other exhibitors.

Another Nanking will be a newcomer owned by Mrs. A. L. Holland. This is Young Went of Hydegeer, which will head the list of noted winners entered by Mrs. Holland. Then comes the latest arrival, Nanking Wei of Llanidloes, for which Mrs. Harby sent a special envoy to England, who arrived last week with his valuable charge. Three famous winners from the same kennel are certainly a rarity in dog shows. It is refreshing to note the sportsmanlike spirit which permeates the whole show. In the first place, Mrs. A. M. Hunter, the honorary secretary and owner of the famous Sherwood Hall kennels, has entered her kennel "not for competition." Again Mrs. M. Morris Mandy, the founder of the club and the breeder of the world famous champion T. Lang of Downshire, the first American champion, has also entered her famous Downshire team "not for competition." She is doing this because the judge-elect is an old friend.

A partial list of the exhibitors follows: Mrs. M. Van Neuren, the president; Mrs. George L. W. Bennett, Fred Mather, Madden, Nance Gwyn Williams, Mrs. Carl Ehlmann, Mrs. Orville Toby, Mrs. Charles H. Lester, Mrs. Henry S. Harper, Mrs. Katherine Woodell, Mrs. Theodore Wilcox, Mrs. M. M. Kennedy, Mrs. M. E. Harby, Mrs. Muriel A. Reed and Mrs. Joseph Pulitzer, in all the finest list of exhibitors ever competing at a show in America.

C. G. Hopton, the superintendent, wishes it to be known that the show will commence promptly at 10 o'clock. This is imperative owing to the record number of classes. Nearly two hundred cups, which include the J. Pierpont Morgan, James Gordon Bennett, Fred Mather, and other valuable trophies are to be awarded.

**NOTED JUDGES FOR TOYS**  
**Toy Spaniel Club Show Likely to Set a New Mark.**

The slate of judges for the Toy Spaniel Club of America show at the Waldorf-Astoria on December 28 and 29, is a complete list of English women. Lady Adrienne Moor, for Pekingese, and Mrs. A. M. Rogers, for Pomeranians, head the list of judges. For the rest of the show, the judges are: Mr. Wynne, Penn., will handle dachshunds; Tyler Morse, of Westbury, Long Island, takes smooth fox terriers and Sealyhams; Theodore Oefferman, of French bulldogs, wire fox terriers, Scottish and West Highland white terriers and Japanese spaniels; John S. Bennett, of Philadelphia, takes English toy spaniels; Daniel P. Ritchey, of New York, has all other breeds, and Messrs. Oefferman, Ritchey, and Bennett will judge the unclassified specials, making up a list that will commend itself to all intending exhibitors.

There is a rich and varied assortment of special prizes offered in cash, silver, gold and crystal, and as the club has added two extra breeds to its classification this year, the coming show will doubtless be the largest and best it has ever had.

The club's growth in membership during the last few years has been phenomenal, and the annual show has become a steadily increasing interest. The toys still hold first place in the various breeds of small terriers, etc., and growing larger year by year. At a social event this show early stands at the head of all other shows in New York and its vicinity.

It is gratifying to learn that Mrs. Harold S. Morris, who was obliged to retire from active secretaryship, but who has now completely recovered and has resumed her work. Mrs. Morris's new address is Wadsworth Hall, Archway, Staten Island, N. Y., and any correspondence in regard to the club may address her there.

**DOG SHOW FOR CHARITY**  
**Form Temporary Organization to Help Red Cross.**

A temporary organization has been formed, to be known as the Charity Dog Show Benefit, for the Red Cross Relief Fund.

The following officers have been elected: President, Theodore Oefferman; first vice-president, Alfred B. Macley; second vice-president, Dr. John P. Demond; third vice-president, John C. Jones; treasurer, John G. Bates, and secretary, James R. Waterhouse.

It is the intention of this committee, after its labor in perfecting the show is completed, to disband, as they feel there will be no future use for it. The show will be held at the Grand Central Palace, on December 22 and 23, under American Kennel Club rules.

**Mr. Breeze to Judge Poms.**

Vinton P. Breeze has consented to judge at the specialty show of the Pomeranian Club of America, which will be held at the Plaza on January 25. In addition to being a popular all-around judge, Mr. Breeze is a sporting writer and an artist of note.

**A. G. Vanderbilt  
Buys Fine Puppy**

Alfred G. Vanderbilt has purchased a wire-haired fox terrier puppy from C. A. B. Zook, of Lancaster, Penn. The puppy is by ch. Leeds Line Up and Leeds Breeze, both of which were imported from England last year. Mr. Zook is sure the puppy will make her mark, and describes her as having "good head and strength of muzzle, with grand expression, small eyes and perfect color." The owner adds that the dog's general conformation is "right." Mr. Vanderbilt's new dog is registered as Vogue of Winwick, and she has been expressed to Oakland Farms, Newport.

**BIDE-A-WEE HOME  
IN NEED OF HELP**

**City and Country Quarters  
Proving Expensive to Maintain.**

The Bide-a-Wee Home for Friendless Animals, which has proven a haven of rest for so many weary canines during its dozen years of existence, is asking for funds to carry on its good work.

Since its inception the Bide-a-Wee Home has received, cared for and placed in homes many thousands of friendless dogs and cats. It is the only institution in New York to which a cat or a dog may be taken which must not find a new home.

A country home is maintained at Freeport, Long Island, where homeless dogs are kept until homes are found for them. The home also has a free clinic for the animals of the city. This is open daily from 10 a. m. until 5 p. m.

The approximate yearly cost of operating the city and country homes is \$10,000. The association is supported entirely by voluntary contributions.

Mrs. H. Ulysses Kibbe is president. The vice-presidents are Mrs. Ulysses Grant, Mrs. George Gould and Mrs. William Saker Hopstra. The officers of the association are situated at 410 East 88th st., New York.

**TOME PROUD OF RECORD**  
**Football Team Defeated Hill School for First Time.**

Port Deposit, Md., Nov. 21.—The followers of the Tome School can look back with a great deal of pride on the team that represented them during the last football season. With victories over Baltimore City College, Army and Navy Preparatory School, Baltimore Polytechnic Institute, Millersville State Normal, any Tome team would be considered a success.

The team, for the first time in the history of the school, Tome defeated the Hill School team. As Hill is Tome's chief rival, the importance of this victory is apparent.

The eleven this fall was the lightest in years, averaging less than 143 pounds. However, resorting to an open game, in which the boys were proficient, they had little trouble in gaining ground at will against nearly all the teams they played.

Another man who stood out prominently was Jimmy Meenan, the shifty fullback. Meenan was the principal ground grinder of the team. His open field running was always of the highest order, and when called to buck the line, Jimmy always managed to gain. In the Hill game it was Meenan who gained most of the yardage for the team.

Meenan, a long, lanky, but powerful, although entirely green, developed into a splendid player. Possessed with a rugged physique, Gil played the entire year without a substitute taking his place.

The most versatile man on the team was Miller. He could be depended on to perform almost anything in football. In the Lawrenceville game he played a grand defensive game. He was a second bricky in drop kicking.

**COLUMBIA FIVE SCHEDULE**  
**Seventeen Games Listed for Its Basketball Season.**

Columbia will have one of the longest basketball schedules in years for the coming season, according to the list of preliminary games announced yesterday by the university athletic association.

Six games make up the early season list, three more than usual. In addition, the Blue and White will play the intercollegiate championship series and one other game at the close of the season, making a total of seventeen.

Rutgers will be the first team to face the Columbia five. It will be the morning of the game, on December 4. All the preliminary games will be played on the Columbia home floor. After Rutgers comes Brooklyn Polytechnic Institute, on December 8. New York University, on December 11; St. Lawrence University, on December 18, and Fordham, on January 8.

The last named game will be an appetizer for the opening game of the intercollegiate season, on January 9, when the Blue and White will face Princeton at Princeton. Columbia's first home game in the league will be on January 15, when Cornell comes to New York.

The intercollegiate League has not completed its schedule in detail as yet, and until that is done the complete Columbia list of games will be withheld.

**Little Buys Boni Southshore.**

Mrs. A. Hungerford, of Bay Shore, Long Island, has sold her latest champion, Boni Southshore, to Clarence Little, of Brookline, Mass. Mrs. Hungerford owns the Southshore kennel, which houses the finest string of dachshunds in the country. The best part of it is that the majority of Mrs. Hungerford's dogs are home bred.

**COURT CHAMPIONS  
TO RECEIVE MEDALS**

**Lawn Tennis Leaders Hold  
Opinion That Cups Need  
Too Much Care.**

Gold medals, designed by the most famous of American sculptors, are to be awarded to each of the lawn tennis players who have held a national championship title. The details of the plan and the selection of the design will be made at the meeting of the executive committee of the United States National Lawn Tennis Association, which Edwin F. Torrey, the secretary, has called to be held at the Waldorf-Astoria, beginning on Friday, December 18.

Palmer E. Presbrey, of the Longwood Cricket Club, Boston, is chairman of the medal committee, which also includes George T. Ade and C. Frederick Watson, Jr.

The complaint has been made that a collector of all the cups is a constant source of care. Often the necessity of keeping them in safe deposit vaults becomes an expensive luxury. The selection of a valuable medal of gold, which will be standard, is regarded as the solution of the problem. The coming meeting of the executive committee is likely to continue for two or three days and to be of international importance.

The committee headed by George T. Ade to improve the quality of lawn tennis balls will offer its report, said Torrey, in outlining the programme of the meeting. "It is feared that the war will greatly increase the price of these balls next year. A. L. Hoskins will report as to the selection of insignia and colors for the national association. R. Norris Williams, 2d, the national champion, is on the committee.

"The entire evening of the first session will be devoted to the report of the ranking committee to be submitted by Frederick C. Inman. It is already evident that there is considerable difference of opinion as to whether or not Maurice E. McLoughlin or R. Norris Williams, 2d, is to be rated in the position of No. 1. Other matters of legislative interest will be discussed, so that they may be intelligently placed before the delegates at the annual meeting."

Torrey has notified all of the clubs and officials in this country that if they have any special matters to bring before the association the executive committee desires to consider them at this time. Davis cup matters, the establishment of a new amateur rule and possibly the shifting of several important tournaments will also come up for deliberation.

**FOR BOSTON DOG SHOW**

**Bohrer Kennel's String Will Be Headed by German Champion.**

Of the New York kennels that will be represented at the Boston Dog Show this week none will bench a bigger string of topnotchers than the Bohrers of Great Danes.

Mr. Bohrers' exhibit will be headed by Aeson von der Rhein, the big fawn dog which, before he left the Farnham, set back most of the German champions of the breed. Aeson has been living a life of ease and condition for more than a month, and is not only as sound as a dollar, but looks it.

A very fine puppy came out in English setters, Oak Glen Victor, to which the third annual dog show on Saturday, February 6. The secretary, John L. Whelan, requests that all those who contemplate giving specials will communicate with him as soon as possible.

**Will Sell La Belle Cora.**

Mrs. Vernon Jarboe's beautiful miniature fox terrier, La Belle Cora, is offered for sale. Besides being one of the best French bulldogs America has known, La Belle Cora is an adorable companion. Cora is now with Mrs. Lewisohn at Vernie Farm, Nanuet, N. Y.

**Newark Picks Dog Show Date.**

The Newark Kennel Club will hold its third annual dog show on Saturday, February 6. The secretary, John L. Whelan, requests that all those who contemplate giving specials will communicate with him as soon as possible.

## California Dogs Rival Champions of the East

**Charles G. Hopton Surprised  
at Quality Bench in  
Recent Ladies'  
Kennel Show.**

Beating all records in quality and attendance, the sixth annual show of the Ladies' Kennel Association of Southern California, held at Los Angeles last week, was by far the most successful ever held by this up-to-date organization.

Many of the shows in the East could learn points from the ladies of Southern California, both in sincerity toward their show and the way every detail is carried out. Mrs. F. M. Connor, the secretary, was a veritable host in herself.

The feature of the show was the cup for the best in the show. "The point was very hot," was the way Charles G. Hopton, the judge, described the class after he awarded the trophy to the noted Alameda champion, His Highness, shown by Andrew Albright, who for the last three years at this show has furnished the winner. Last year's winner, the wire-haired fox terrier, was shown by Mrs. S. H. Hopton, who was the runner-up.

The best of all breeds brought out a very fine class, comprising many well-known winners. Again the East was successful, the winner being the popular Boston terrier, Champion The Beautiful Doll, recent sold by John M. Winturn to John Bradshaw. Then came the best specimen of the whole show, the best brace. Here the one and only American dog, the Boston terrier, triumphed supreme. Freeman Ford, of Pasadena, winning with his noted pair, Arroyo Ambassador and Arroyo Aulicity, a perfectly matched pair of red brindles, with ideal markings.

The second was a very good pair of French bulldogs, Bretonnet and Pont, the well-known Eastern winner, Nissette, which had little to spare outside of condition in beating the Pekingese champion, Lord of Llanidloes, and the best toy went to a Yorkshire terrier, Billy Boy, a recently imported English champion.

St. Bernards had an exceedingly fine youngster, Graywood Ben Barry, at the head of the class. He is by the noted New York winner, Champion Ata Ben, and much on his type. Mr. Hopton went so far as to say this was the best puppy of all breeds, even the best of Great Danes found a surprise when the famous English champion, Zelos of Sudbury, a huge hartequin, was beaten by a puppy, Zela II, shown by Dr. E. Avery. Zela is by the well-known Eastern champion, Lord of Llanidloes, and is much on his type, excelling in muzzle, skull and shoulders.

A very fine puppy came out in English setters, Oak Glen Victor, to which the third annual dog show on Saturday, February 6. The secretary, John L. Whelan, requests that all those who contemplate giving specials will communicate with him as soon as possible.

Jensen, a famous winner in Germany, both at the police trials and on the bench. He was much on the same type as the Eastern champion Frigo, but better in feet. He was finally beaten for best of the breed by Gretchen, a very fine bitch puppy, which had the better skull and sounder quarters.

Buildings had the best collection ever seen in the West, a great compliment to Mr. Hopton, who has bred more champions than any other breeder. He expressed himself as being more than surprised at the grand quality. "The dog to which I awarded third in the open was the imported champion Mackworth Bertie, which for a time beat them all in the East, and for which I offered \$1,000 within the last two years," said Mr. Hopton. He was right; beaten here by the new arrival, Country Model, and the local bred champion St. Germain Jimmy, which, by the way, is a son of the much abused black and tan Firenze Snowflake, bred by Robert Guggenheim."

A very fine pair of puppies came out here—McDonald's Bill Boy and McDonald's Little Miss Billy—which won many firsts and prizes, the latter going to the reserve in winners. She is said to be good enough to beat anything in the East.

Airedales caused some amusement by the manner in which several were going so far as to place Pike's Peak Benedict on top in American breeds over some well-known winners, as he was so good in all points barring condition.

The best of the breed went to the noted champion His Highness, which now holds the coast to coast and German championships. The best in bitches was Soo Florida, a very smart type, with rare bone. She beat the two Boughfield nominations—Her Highness and Bianca—and other well-known winners.

It was easy for High Glen in wire-haired fox terriers, while in the smooths the Elmer River went with the Rush and Modesty, the latter winning for best smooth. In both bull terriers and Irish terriers Mr. Hopton withheld winners, as the quality was not of sufficient merit for a four-point show.

An old-time favorite champion was beaten in French bulldogs. It was a case of "youth being served." Brentwood Ponto, a son of the noted champion Sikkid Rance, beating his sire. The noted Nissette, a topper, won the East, won in bitches, but was beaten by Ponto for best of the breed.

Boston terriers, judged by John Elkins, of Chicago, had a splendid entry, the competition being very keen. In dogs, at least six were good enough for the winners. The best, however, went to Sparkling Burgundy Jim, a grand little dark brindle, with perfect markings and head, where he beat the runner-up, Oak Glen River.

The bitches were even better than the dogs. This class brought together the Bayside champion, Del Rey Doro, and all the local winners. The tick was Arroyo Aulicity, a topper, which had little to spare, however, in beating Macy's Patsy, placed reserve, and Del Rey Doro, which, accepting the winning dog as the type, might have won, to she is the champion of him, and even improved in some points. The Beautiful Doll, entered for specials only, beat them all for best of the breed.

In Pekingese Mrs. Sidney Harris won both championships, with champion Sun of Llenrud and Went-i, the former winning for best. He has improved greatly since going West.
